"Stir It Up!" Seminar Wednesday, Sept. 23 9am-3pm

Leaders need to be continually revived in their spirits and strengthened in their skills. This one-day seminar features interactive equipping and encouraging sessions facilitated by ministry leaders. It's geared to "Stir You Up!" for more confident and impactful Kingdom ministry. "Fresh bread" is being prepared to be served in these sessions. Come get some!!!

► SESSION I —Dallas Elder "Building Plans and Principles"

The book of Nehemiah presents us with incredible leadership lessons in guiding others to trust God's provision and protection while maintaining priority focus upon our serving assignment from God.

► SESSION II —Geony Rucker "What's in the Way?"

Navigating a world filled with trauma, sin and suffering can impact your closeness with God. We'll explore the common barriers that keep people feeling spiritually "stuck," and how to help them identify, and overcome these challenging roadblocks.

► SESSION III —Darrell Jones "Salt Seasoning in a DIY Culture "

This session will explore historic and practical ways to live out Jesus' teaching in Matthew 5:13. "You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned?..."

We encourage you to attend the seminar and the conference workshops. Make all you can!

Conference Workshops

Thursday-Saturday Sept. 24-26

CALLING, GIFTING, ANOINTING AND KINGDOM SERVICE

► Dallas Elder

We were all created with Divine Purpose. This workshop will help you understand your unique Divine Design for your Holy Spirit activation and Kingdom deployment. You will gain knowledge and understanding to faithfully serve Jesus with greater confidence and faith.

ANGELS AND DEMONS

► Barry Clair

There is a lot of speculation and misinformation in the church world today about the spirit world. I am 100% convinced that God has revealed everything we need to know about angels, demons, Satan and the spirit world in His Word. Where the Bible is clear we must be clear, where the Bible is silent we must resist the urge to "fill in the blanks." From Scripture, I will attempt to answer questions about Satan, the Nephilim and fallen angels. We will examine spiritual warfare and how must we fight it.

PROPHETIC ETIQUETTE: FOR A NEW GENERATION

► Michael Sullivant

This workshop offers a fresh vision for prophetic ministry rooted in intimacy with God, emotional maturity, and healthy community. Rather than emphasizing giftedness alone, these sessions explore the formation of trustworthy men and women who carry God's heart with humility, wisdom, and grace. Participants will learn practical ways to hear God's voice, steward revelation well, and cultivate prophetic cultures marked by love, discernment, and mutual submission.
